Small Business Relief Program

Thank you for your interest in Gilroy's Small Business Relief Program!

In the face of COVID-19, City leaders know that many local small businesses are struggling. A strong business community fosters strong employees and strong communities. In an effort to help support our local small businesses and our community, the City of Gilroy has established a grant program to support small businesses in these trying times. Businesses operating within the city limits of Gilroy may qualify for a one-time business relief grant using federal Coronavirus Aid, Relief, and Economic Security (CARES) Act funding.

Grants are based on the number of full-time equivalent employees as of March 17, 2020 (when the Santa Clara County Health Officer issued the initial Shelter-In-Place order):

Maximum Grant Award: \$5,000 for businesses with 2-10 employees
\$10,000 for businesses with 11-25 employees

Allowed Use of Funds: Used for working capital (rent, payroll, utilities, inventory, etc.)

Application Period: **Monday, July 12th at 8:00 am to Monday, August 16th at 5:00 pm**

GRANT APPLICATIONS will be available on the City's webpage, beginning on February 8th:
