### Coffee with Mayor Don Gage

Mayor Don Gage will be holding his second “Coffee with the Mayor” event on Saturday, March 2<sup>nd</sup> at 9:30 a.m. in the City Council Chambers, 7351 Rosanna Street, Gilroy.

This is a friendly, informal way in which you can engage the Mayor in discussion, and also learn additional, useful community information as others get answers to questions and otherwise engage in specific or broad discussions on city issues. This event will provide an excellent opportunity to get updates on issues that concern you personally, or the community as a whole.
