DESCRIPTION

- 7a. Architectural style: craftsman bungalow
- 7b. Briefly describe the present *physical appearance* of the site or structure and describe any major alterations from its original condition:

A single story structure with a large projecting porch. The medium pitch gable of the porch roof is craftsman in style, having exposed eaves, a carved bargeboard and contour brackets. The gable is filled with the same square cutshingles that cover the house. The porch is supported by three square elephantine columns. The main structure is a square form with a pedimental roof. Thin clapboard covers the lower fourth of the structure. A projecting bay on the side has the same window style, small square panes over a single large pane, as do all the windows. The yard has a selection of colorful plants, mostly shrubs and aspen trees that complement the structure.
