DESCRIPTION

- 7a. Architectural style: Eclectic
- 7b. Briefly describe the present *physical appearance* of the site or structure and describe any major alterations from its original condition:

A one-and-a-half story structure of rectangular form with a medium-pitch front gable. This structure appears to have had a number of remodelings, each incorporating an element or two of the then current style. The raised entry porch is recessed under a low pitch gable. Both this half roof and the main roof are bracketed with craftsman style braces. Also on the front facade a three-part slanted bay projects and is covered with a roof on exposed eaves. A window is directly under the bay. Sheathed in narrow clapboard, the appearance is an eclectic combination of styles.
