PUBLIC HEARING NOTICE NOTICE OF FUNDING AVAILABILITY (NOFA) FOR PROGRAM YEAR (PY) 2026-2027 AND REVIEW OF PY 2024-2025 CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT (CAPER) RESULTS PUBLIC HEARING, FOR THE COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM

NOTICE IS HEREBY GIVEN that the City of Gilroy is issuing a Notice of Funding Availability (NOFA) for the PY 2026-2027 CDBG Program. The City anticipates receiving approximately **\$400,000** in CDBG funds from the U.S. Department of Housing and Urban Development (HUD) to be allocated to eligible PY 2026-2027 activities. The CDBG Program is designed to support activities that (1) benefit low- and moderate-income persons, (2) aid in the prevention of slums or blight, and (3) meet an urgent community need. Through this NOFA, the City invites nonprofit organizations to apply for eligible activities that primarily benefit low- and moderate-income individuals or households earning no more than 80% of the area median income for Santa Clara County. HUD limits the amount of CDBG funding that may be used for public service activities to 15% of the City's annual CDBG allocation. The NOFA covers a one-year funding cycle for the second year of the City's five-year Consolidated Plan, from July 1, 2026, through June 30, 2027. Funding is contingent upon HUD's allocation of CDBG funds and is subject to any new or revised federal requirements governing the use of those funds.

NOTICE IS HEREBY GIVEN that the City of Gilroy will also provide an overview of the CDBG Program's PY 2024-2025 activity accomplishments, as described in the draft CAPER that was released for public comment and submitted to HUD in September 2025 for approval. The CAPER reports on the City's CDBG accomplishments for the prior program year and evaluates progress toward the goals established in the five-year Consolidated Plan and Annual Action Plan.

A virtual Public Hearing to review the CDBG Program PY 2026-2027 NOFA, the grant application process, and the PY 2024-2025 CAPER results will be held on Tuesday, February 17, 2026, at 6:00 PM. All interested community members and applicants are encouraged to attend by joining at
